

In the market for a Poster Printer?

Prolmage® Poster Printer

Thinking about purchasing a Varitronics®/ Fujifilm® Poster Printer? Think refurbished & save as much as \$4000 over new machine pricing. We typically have five different models available including poster printers offering the latest technology — Prolmage®, Prolmage® Plus, Prolmage® XL, Plus 3000 & XI 3000 models. All our printers come with 6 month warranties & *FREE* phone support as long as you own your poster printer. Extended warranties are also available.

Plus 3000 Poster Printer

We've been selling poster printers for years to customers like the IRS, FEMA, the CIA, Military, & the Coast Guard along with major universities, colleges, school districts, schools & fortune 500 businesses. Plus, as a manufacturer of the poster paper for these printers, you'll always get the best discounted prices & largest color selection available in the world!
